Chairman's Message

New Day! New Volume! New Vision!

A vision to bring together the prominent personalities of Gujarat together and celebrate their many triumphs... Maneesh Media feels that this Jewels series can help to foster a sense of unity and encourage Gujaratis to get involved in events and initiatives. This can help to build stronger relationships between the Gujarati community globally and improve the overall quality of life in the community. Together we can help promote economic development and support the local economy.

Our upcoming coffee-table book, ***Jewels of Gujarat: Leading Global Gujarati Personalities (Vol. III)***, will celebrate the unique culture and history of the community and build a sense of pride and identity among the community members. We dedicate this book to Gujaratis who have turned the tables and manifested to the world the fervour they possess with their diligence and self-critical character. A celebration of the efforts of the global Gujarati community, it will be released on **31 October 2024** in the wake of **Sardar Vallabhbhai Patel's 150th birth anniversary**, celebrated as Rashtriya Ekta Diwas or National Unity Day, in honour of his legacy of uniting India and fostering a spirit of patriotism and unity among its citizens.

Gujaratis have long been synonymous with a spirit of industriousness, entrepreneurship, unwavering dedication and a deep sense of cultural values. Their tales are not only about personal triumphs but also reflections of our collective strength as a community. They have shattered barriers, pioneered innovation and carved paths that inspire and empower countless others to dream bigger, work harder and contribute meaningfully to society.

This upcoming book sets on around the world once again, digging up the jewels from their modest lives to decorate the jewels among Gujaratis. We had a privilege to feature industrial expert leaders, like Kanaksi Khimji, Rajju Shroff, Mukesh Ambani, Gautam Adani, Drs. Pallavi & Kiran Patel, Dinesh Zaveri and many others from 30 countries, in our previous two *Jewels of India: Leading Global Gujarati Personalities volumes*.

We invite you to be a part of this upcoming book that will once again underscore our commitment to highlighting the courage of leading personages and the enduring spirit they carry. The astounding attitude screams, "Come what may, I stand tall forever!"
